

H170 - The Hartford Steam Boiler Inspection and Insurance Company - Revisited

John Lyding (L116)

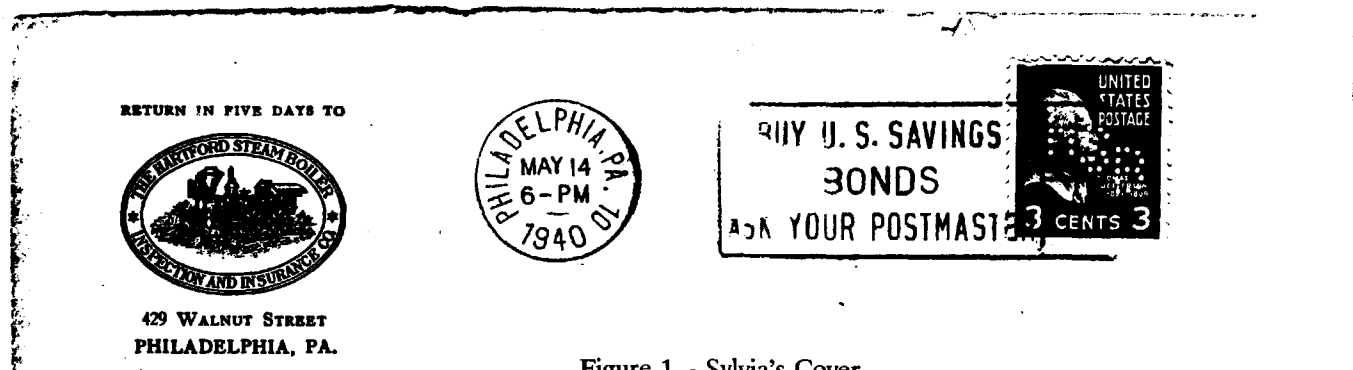

Figure 1. - Sylvia's Cover

In the January 1997 issue, Chuck Spaulding and I published an article concerning additional locations of The Hartford Steam Boiler Inspection and Insurance Company (pp. 7- 8). That article stated

inter alia "Apparently, the company has multiple locations nationwide."

Members Sylvia Gersch (#1825F) and Millard

Driscoll (LM71) checked their collections and turned up two more locations. Sylvia's cover (Figure 1) is a May 14, 1940 posing from the company at 429 Walnut Street, Philadelphia, PA. Millard's cover (Figure 2) simply lists Minneapolis Office, Mc Knight Building, Minneapolis 1, Minnesota as the return address on an August 23, 1950 posting.

Unlike today, the two first class mailings posted ten years apart not only had the same 3¢ rate, both used the same 3¢ Jefferson issue. Incidentally, if you are interested in buying or selling covers, contact the club's cover sales manager: Millard Driscoll, 301 Driver Avenue, Summerville, SC 29483.
